Item No.26

Agenda:- To Peruse the judgment of Honorable High Court vide WP(C) No.25322 of 2017

The Honourable High Court had quashed the orders of this authority revoking the Regular Permit in respect of S/C KL 05 AF 2673, since certain mistakes were crept in to the orders and the issue is to be reconsidered by RTA. It is also ordered by the Honourable High Court to consider Exhibit P7 and P7(a) of this WP(c) in accordance with law. So heard the learned counsel for the Permit Holder and reconsidered the matter and decided as follows.

I.Exhibit P7 –Application for renewal of Regular Permit.

a) The Regular Permit was expired on 03/03/2012. Further renewal of this permit is not yet granted by this authority. Hence there is no need to revoke a non existing permit.

b) Exhibit P7 is an application for renewal of this permit as LSOS filed on 03/08/2016. Earlier the application for renewal of this permit as Fast Passenger was rejected by the authority. Appeal was filed before the Honorable STAT in MVAANo.65/2013 and no orders of Honorable STAT is received in this MVAA so far. The application for renewal of permit was filed by the applicant as directed by Secretary RTA under GO(MS)45/2015/Tran dtd.20/08/2015. Subsequently the vehicle KL 05 AF 2673 was sold by the applicant without obtaining any sanction from this authority for transfer of permit under section 82 of Motor Vehicle Act. So

the permit had become void and ineffective from the date of sale of the vehicle. No vehicle is offered for the renewed permit till date other than the alienated S/C KL 05 AF 2673 as required under section 183 of Motor Vehicle Act read with Rule 174 of KMV Rules. As per the judgment of Honourable High Court in Writ Appeal 2486,2455 and 2769/2015 keeping the permit alive and to detach the vehicle for the use of some other purpose is clearly contrary to the objects and purpose of Motor Vehicle Act and rules made there under. In WP(c) 24250/15 E dtd.15/07/2015 Honourable High Court has ordered that obtaining clearance certificate and consequent non operation of the service for long periods makes the permit invalid . As directed by the Honourable High Court the application for renewal of permit is considered by this authority and found that the Permit Holder had not complied with section 82 and 83 of Motor Vehicle Act and rules made there under. So in compliance to the directions of Honourable High Court in the Writ Appeal 2486,2455 and 2769/2015 and in WP(c) 24250/15 E dtd.15/07/2015, the application for renewal of regular Permit is hereby **Rejected** and the direction of Honourable High Court in WP(c) No.25322 of 2017 is thus complied.

II. Exhibit P7(a)

This Permit is already varied as LSOS as per the decision of this authority on 29/01/2015. Exhibit P7(a) is an application for Temporary Permit for extending this service from Karimpan to Venmony in respect of the vehicle KL 05 AF 2673. As the Permit Holder had subsequently abandoned this permit and obtained clearance certificate for transfer of ownership of the vehicle this application is devoid of any merit at present. So the application in Exhibit P7(a) is **Rejected** after

considering the matter in detail and thus the direction of Honourable High Court is complied with.

Judgment of Honourable High Court in WP(c) 32553/2017

Honourable High Court has directed to consider objection of Sri. Abraham, Karunattu, Anickad agaist grant of the renewal of this permit. As renewal of permit is rejected by this authority there is no cause of grievance for the objector at present. Hence the objection is deemed as closed.
